7 Park Crescent  
London  
W1B 1PF  
Email address: [admin@gmouton.com](mailto:admin@gmouton.com)

### Nature of work description

Nature of work - Doctor (GP)

#### Description of Processing

The following is a very broad description of the way this organisation/data controller processes personal information. To understand how your own personal information is processed you may need to refer to any personal communications you have received, check any privacy notices the organisation has provided or contact the organisation directly to ask about your personal circumstances.

#### Reasons/purposes for processing information

We process personal information to enable us to provide healthcare services, maintain our own accounts and records and to support and manage our employees.

#### Type/Classes of information processed

We process information relevant to the above reasons/purposes which may include:

- personal details
- family details
- lifestyle and social circumstances
- goods and services
- financial details
- employment details

We also process sensitive classes of information that may include:

- physical or mental health details
- racial or ethnic origin
- religious or other beliefs
- sexual life

#### Who information is processed about

We process personal information about our patients; customers, suppliers and employees.

#### Who information may be shared with

We sometimes need to share information with other organisations. Where this is necessary we are required to comply with all aspects of the data protection act. What follows is a description of the types of organisations we may need to share some of the personal information we process with for one or more reasons.

Where necessary or required we share information with:

- healthcare professionals
- social and welfare organisations
- central government
- service providers

- financial organisations
- current, past and prospective employers
- examining bodies

#### Transfers

It may sometimes be necessary to transfer personal information overseas. When this is needed information is only shared within the European Economic Area (EEA). Any transfers made will be in full compliance with all aspects of the data protection act.
